

Pine Bush Area Public Library July 2020

News Bulletin #2

A note from the Director:

WE ARE OPEN!!

Our Library hours are 10:00 am - 4:00 pm
Monday through Friday
The Main Library only will be open on Saturdays 10 - 2.

The library is slowly getting back. We still have shorter hours, but you can now reserve materials online for curbside pickup or walk in. All our materials have been under quarantine for at least 3 days. The interior of both the Main Library and the Community Room is wiped down several times during the day. (Door knobs, desktop, computer stations, etc.) Everyone who comes in wears a mask, sanitizes their hands and uses a pair of our gloves, when browsing the shelves. Social distancing is also required.

We have live story time with Miss Lucy out on the lawn on Mondays at 10:00 am.

The “take and make bags” have been a big hit. The staff has been making up these bags. What’s included? A story book and a “make a craft” with the instructions and materials included.

The best part is: If you take a picture of your book and craft and email it to: pbl@rcls.org you will receive a coupon for a free Stewart’s ice cream scoop!

There are three levels of bags; toddlers, preschool and elementary.

Stop by and pick one up for each child.

You still have time to complete your murder mystery story. Good time to use your imagination. We give you the clues. Deadline is Friday, July 31st .

Contact the library or come to the community room for information and the clues. A grand prize will be awarded for the best murder!

Exercise with the FitNixs. Come on Tuesdays at 10:30 (rain date - Wednesdays) Take a 45 to 55 minute walk around the town, come back and have lunch on the lawn, then a game, such as trivia, Simon says, etc. or just socializing.

The 2020 census has been extended to Oct 31st. **Be sure to get counted.** A higher count means more federal funding for the community. The library can help you get counted. www.2020census.gov

If you need to renew your smart driver class for insurance reduction, the library will help you get started online. There are no more in house classes, at least until next year. AARP is offering a discount. It is a 6 hour class, but you have a month to complete the 6 lessons. Call to set up an appointment for the computer.

(845-744-4265 ex2)

If you need computer help or help on your own device; we have the help you need on Tuesday, Wednesday and Thursday afternoons. You need to call (845)-744-4265 ex2 for individual help.

Patrons must wear a properly fitting mask - no mask - no service.

Social Distancing will be observed.

Books being returned should be dropped in the book drop outside the Main Library.

**Hand sanitizer will be provided at the doors,
as will gloves for browsing the books.**

**Please do not enter the library if you are running a fever or are not feeling well.
If you are coughing or sneezing while in the library, you will be asked to leave.**

We are limiting patrons to 6 per floor.

**If there are people waiting to enter the library,
you may be subjected to time restrictions.**

**Patrons can still reserve materials online or by phone for curbside pick-up.
(Limited inter-library loans will be available). Special services, such as faxing,
copying, computer use or notarizing or help with your device to
download your ebooks, are by appointment only.**

Thank you for your patience!

LET'S GET COUNTED!

The Census determines everything from the funding we get for public services to our state's congressional representation.
